

Daily Status Report

Name : M. Eswari

Date : 04-12-2025

Today I enhanced the healthcare UI with smooth navigation, structured modules, and AI-powered support to deliver a more interactive and user-friendly medical experience. I also upgraded the approval workflow to manage Hospitals, Stores, Labs, and Individual Doctors with full details, seamless approve/reject actions, email notifications, and real-time updates.

The updated approval workflow now handles Hospitals, Stores, Labs, and Individual Doctors with full details, documents, images, and map previews. It enables seamless approve/reject actions with email notifications and instantly updates the pending lists.

The navbar provides quick access to brand identity, essential links, and user profile options. It includes a scroll-based header that appears dynamically for better navigation.

```

src > components > jsx > Navbar.jsx ...
1 import React, { useEffect } from "react";
2 import "../style/home.css";
3
4 function Navbar() {
5
6   useEffect(() => {
7     // ===== Scroll Show Navbar =====
8     const scrollNav = document.querySelector(".scroll-services-nav");
9
10    const onScroll = () => {
11      if (window.scrollY > 200) {
12        scrollNav.style.display = "block";
13      } else {
14        scrollNav.style.display = "none";
15      }
16    };
17
18    window.addEventListener("scroll", onScroll);
19    return () => window.removeEventListener("scroll", onScroll);
20  }, []);
21
22  return (

Highlights the JhaiHealthcare brand with a strong visual banner. Provides a clear call-to-action for users to begin consultations instantly.

A promotional section that encourages users to start online doctor consultations. Visually engaging with a support image and a CTA button.

The screenshot shows the JhaiHealthcare website homepage. At the top, there's a navigation bar with links like 'Talk to Doctor', 'Medicine', 'Book Dr. Appointment', 'Lab Test & Packages', 'Surgery', 'JhaiHealthcare GOLD' (which is highlighted in yellow), and 'About Us'. Below the navigation is a grid of five circular icons representing different services: 'Book Health Check', 'Nutrition', 'Dental', 'Vaccination', and 'COVID-19'. A large banner below features a scenic mountain landscape with the text 'Consult with Top Doctors Online, 24x7' and a blue 'Start Consultation' button. On the left, there's a section titled 'Specialised Doctors Categories' with icons for heart, brain, dermatology, knee, stomach, and baby. On the right, there's a 'View More' link and a blue circular 'Can I help?' button.

Presents categories of medical specialists with thumbnail images. Helps users explore and choose the right doctor based on specialty.

Highlights surgical and treatment procedures with cashless assistance. Includes a grid of procedures and an Apply Now button for registrations.

This screenshot shows the 'Specialised Doctors Categories' section of the JhaiHealthcare website. It features icons for Cardiology, Neurology, Dermatology, Orthopedics, Gastroenterology, and Paediatrics, each with a corresponding label below. Below this is a grid of six cards, each representing a different surgical or treatment procedure: 'Cataract Treatment', 'Circumcision', 'Piles & Fissures', 'Dengue Fever', 'Gall Stones & Kidney Stone', and 'Hair Transplant'. Each card has a small thumbnail image and a brief description. A green banner at the bottom promotes 'Avail Cashless Support for Hospitalization' with the text 'End-to-end care for various surgical procedures'. A blue 'Can I help?' button is located on the right side.

Displays recent healthcare videos in a thumbnail grid. Each card links to YouTube for educational or promotional content.

The screenshot shows a web browser displaying the JhaiHealthcare website at localhost:3000/medicine.html. The top navigation bar includes links for Talk to Doctor, Medicine, Book Dr. Appointment, Lab Test & Packages, Surgery, and About Us. A yellow banner labeled 'JhaiHealthcare GOLD' is visible. Below the navigation, there are three service cards: 'Dengue Fever', 'Gall Stones & Kidney Stone', and 'Hair Transplant'. A central green box promotes 'Avail Cashless Support for Hospitalization' with the subtext 'End-to-end care for various surgical procedures' and a red 'APPLY NOW' button. Under the heading 'Our Videos', four thumbnail images are shown: 'Booking an Appointment in English' (two people at a desk), 'HEALTH CHECKUP' (a hand holding a stethoscope over a heart icon), 'Healthcare Consultation' (a doctor and patient in a consultation room), and 'BEST DOCTORS AVAILABLE' (a doctor with a blue circular graphic). A 'View More' link is located to the right of the video thumbnails.
