

Daily Status Report

Name : Eswari

Date : 07-11-2025

Shows a real-time map of trucks moving from the warehouse to FPS destinations using Leaflet. Each truck displays ETA, route path, fuel, and delivery status dynamically. Helps monitor fleet performance and visualize live logistics heatmaps.

Displays active FPS dealers, incoming deliveries, and dealer inventory snapshots. Shows ETA and status (In Transit, Delivered, or Delayed) for each truck delivery. Gives insights into FPS-level stock levels and operational readiness.
